Securitron® Power Distribution Board

*Creates multiple outputs for separate circuits*

Securitron Power Distribution Boards split the primary AC or DC output from a power supply into multiple outputs of the same voltage type to separate equipment onto individual circuits.

Features

Standard Features

- Splits main board output into multiple outputs
- Each output has a status LED indicator
- Main input has a status LED indicator
- 12 or 24V output (based on power supply output)
- Accepts AC or DC input/ provides same output
- DB-4 has an on/off power switch
- PDB-8 has a main power indicator that indicates AC, DC or reverse DC input
- Individually fused with 1 or 2A options available
- Separate fuse for main input surge protection–standard automotive ATO sizes
- MagnaCare® lifetime replacement, no fault, no questions asked warranty

LIFE
MagnaCare Warranty

12/24
Dual Voltage 12/24

Part Number | Description

Part Number	Description
PDB-4C07	4 PTC Output, 700 mA each
PDB-4C1	4 PTC Output, 1.04A each
PDB-4C2	4 PTC Output, 1.93Aeach
PDB-4C3	4 PTC Output, 1.93A each
PDB-4C4	4 PTC Output, 1.93A each
PDB-4C5	4 PTC Output, 4.62A each
PDB-4F05	4 Fused Output, 500 mA each
PDB-4F1	4 Fused Output, 1A each
PDB-4F2	4 Fused Output, 2A each
PDB-4F3	4 Fused Output, 3A each
PDB-4F4	4 Fused Output, 4A each
PDB-4F5	4 Fused Output, 5A each
PDB-8C07	8 PTC Output, 700 mA each
PDB-8C1	8 PTC Output, 1.04A each
PDB-8C2	8 PTC Output, 1.93A each
PDB-8C3	8 PTC Output, 3.08A each
PDB-8C4	8 PTC Output, 3.85A each
PDB-8C5	8 PTC Output, 4.62A each
PDB-8F05	8 Fused Output, 500 mA each
PDB-8F1	8 Fused Output, 1A each
PDB-8F2	8 Fused Output, 2A each
PDB-8F3	8 Fused Output, 3A each
PDB-8F4	8 Fused Output, 4A each
PDB-8F5	8 Fused Output, 5A each

Specifications

Electrical

- **PDB-4C, PDB-8C**
  - PTC circuit breakers rated holding current at 130° F
  - Accepts AC or DC input up to 32V
  - Outputs rated Class 2 power limited
- **PDB-4F, PDB-8F**
  - Fuses for individual outputs are standard 3AGC
  - Accepts AC or DC input
  - Outputs rated Class 2 power limited
  - UL 294, UL 603, ULC-S318 recognized components

Dimensions

- **PDB-4**: 3-3/4"H x 2-1/4"W x 1"D
  Mounting: 3-7/16"H x 1-7/8"W
- **PDB-8:** 4-7/8"H x 4-7/8"W x 1"D
  Mounting: 3-7/16"H x 4-1/2"W
