

STI Beacon and Sounder Cages

STI-9615

STI-9664

PRODUCT OVERVIEW

Here is an excellent way to protect your beacons and sounders against both vandalism and accidental damage. The newest members of the STI Wire Guard Team, these Stoppers were created in response to multiple requests from STI customers. They are easy to install with all screws and anchors provided.

BACKED BY A THREE YEAR GUARANTEE

Constructed of tough steel wire that is coated with corrosion resistant polyester. It is not surprising STI backs them with a three year guarantee against breakage in normal use. These Stoppers are highly recommended for areas where abuse is severe or it is imperative sounders and beacons continue to operate.

FEATURES

- Offers protection against vandalism and accidental damage for beacons and sounders.
- Constructed of tough steel wire.
- Part of a complete line of wire guard units.
- Installation is fast and simple with screws and anchors provided.
- Coated with corrosion resistant polyester.
- Three year guarantee against breakage in normal use.
