

# Horn/Strobe/Speaker Damage Stoppers®

STI-9705-R

STI-9711

STI-9720

## PRODUCT OVERVIEW

Here are excellent ways to protect strobe units against both vandalism and accidental damage. Constructed of tough, 9-gauge steel wire coated with corrosion resistant red or white polyester, these guards can take hard knocks in stride. STI-9705, STI-9708, STI-9711 and STI-9714 wire guards provide maximum protection for System Sensor SpectrAlert® Advance series strobe notification appliances.

## BACKED BY A THREE YEAR GUARANTEE

As all STI protective covers, these guards are backed by a three year guarantee against breakage in normal use. Installation and servicing is easy with all screws and anchors provided. This Stopper is highly recommended for areas where abuse is severe or it is imperative that strobe units continue to operate. STI-9717 and STI-9720 fit over System Sensor notification appliances SP2R1224MC and SP2W1224MC.

## FEATURES

- Offers protection against vandalism and accidental damage.
- Constructed of tough 9-gauge steel wire.
- Installation is fast and simple with screws and anchors provided.
- Simple removal for maintenance.
- Coated with corrosion resistant polyester.
- STI-9705, STI-9708, STI-9711 and STI-9714 protect SpectrAlert® strobe units.
- STI-9717 and STI-9720 fit over System Sensor notification appliances SP2R1224MC and SP2W1224MC.
- Three year guarantee against breakage in normal use.
